

# De Zalze Home Owners Association

## Application For Connection of Embedded Generation

Owners	Name	
	Stand Number / address	
Details	Telephone / Cell Number	
	E-mail address	

Generation	Fuel source	
	Capacity (kVA) / 1 or 3 $\phi$	
Details	Energy to be used solely for customer or export as well	
	PF	

Proposed Project start date	
Proposed Project synchronisation date	

Protection	Method of synchronisation (Auto/Manual)	
	Method of anti-island – detail of scheme	
Details	Method of frequency control	
	Other Protection (O/C, E/F, over/under Voltage, over/under Frequency etc.	

Note: Where the above is built into the inverter/regulator/charge unit of a solar system, please attach the full detail with the design of the system.

Details of Design Engineer	Name	
	Telephone Number	
	E-mail	
	Registration Number	

FOR OFFICE USE				
Date Application Received				
Further Information required	Yes		No	
Copy of CoC Received	Yes		No	
Installation Inspected	Yes		No	
Engineering Design Received	Yes		No	
Commissioning Approved	Yes		No	By whom:
